

THE AGENT'S VIEW

The Cameron Group is pleased to be associated with the forthcoming off-plan launch of Panorama, the first of Howarth Homes' 2016 launches.

The London Borough of Hillingdon has seen a rise of almost 14% in property values over the last 12 months and these high quality homes represent Howarth Homes' commitment to providing everyone with the opportunity to purchase at today's prices with the certainty of exchanging contracts on launch day.

With completion scheduled for early 2019 Panorama presents the potential for impressive capital growth.

A thriving local rental market, close proximity to Uxbridge town centre and Metropolitan and Piccadilly line station with its services to central London, and easy access to the A40, M40, M25 and Heathrow further underline the investment potential.

We look forward to welcoming you to the off-plan launch on Thursday 10th March.
